Scholarships must be used by **May 1, 2025**. Besides the MAL Scholarship, there are three other scholarships with specific requirements.

Polly H. Ullrich Scholarship for Early Career Artists

This is a yearly scholarship in the amount of \$3000 towards tuition and related expenses at an accredited college or university, not for profit, public or private, or professional school. The scholarship will be awarded to anyone under 30 years of age, within a 70-mile radius of Manitowish Waters, WI seeking to be an early career artist.

Rutherford/Raedeke Memorial Scholarship

Requirements

Fill out the **MAL Application form**. Write a one-page **essay** that explains how this course of study will help fulfill your artistic goals, addressing the importance of the medium used. Included in that essay is the need for financial aid. Send **three examples** of the artist's works via picture or .jpg; or three 1-minute videos for dance, vocal or musician. The scholarship **application deadline is May 1, 2024**.

After all the applications are received, decisions will be based upon the total number of applicants, the essay explaining financial need and describing how the applicant's artistic goal will be met by receiving the award, and the samples of the artist's works. The Polly Ullrich Scholarship will be chosen first, followed by the Rutherford/Raedeke and Presque Isle Fine Arts Scholarship. Depending on the number of applicants, the remainder will receive the Manito Art League Scholarship. Please do not call about the status of your application. The Scholarship Committee will notify you as soon as possible so your school can include your award for graduation ceremonies.

Scholarship applications are available at www.manitoartleague.org, our MAL website. All applications will be accepted from January 1, 2024 through May 1, 2024. Email to manitoscholarships@gmail.com. If mailed, they must be postmarked by **May 1, 2024**, the application deadline.
